

Rosalynn Carter Butterfly Trail

2018 Spring Symposium: Think Native *and Plant Sale*

May 4, 2018

in Plains, Georgia

*Sponsored by The Rosalynn Carter Butterfly Trail,
Plains Chautauqua, and The Garden Club of Georgia, Inc.*

We hope you will join us for an exciting symposium in Plains on Friday, May 4, 2018. The workshop will focus on gardening tips, native plants, and habitat for butterflies and bees. Registration is \$25.00 per person and includes lunch. Seating is limited so register early!

In addition to great speakers and afternoon breakout sessions, we will have a native plant sale featuring milkweed, perennials, annuals, native azaleas, shrubs, and trees that provide nectar and serve as a host for pollinators. Donna Vincent with Vincent Gardens will be on hand to recommend plants that will encourage pollinators in full sun gardens as well as shade gardens. The Rosalynn Carter Butterfly Trail will have some potted plants, hanging baskets and annuals to add that burst of color to your patio and gardens.

Details about speakers, breakout sessions, the silent auction, and the seed swap are online at www.rosalynncarterbutterflytrail.org.
